MEMORANDUM FOR GORDON CAVENDISH, EXOPLANETARY RESEARCH  
INSTITUTE

SUBJECT: Information of Interest

To Mr. Cavendish,

The Department of Defense has taken note of your great work in the field of communications technology and other research. I understand that you have expressed disinterest in working for the military, and would like to assure you that is not the purpose of this message.

I would simply like to arrange a meeting with you. I have some information you may find to be of interest, and would like your opinion on it.

Should you agree, we'll arrange for you to fly to Washington next week.

Sincerely,  
Lt. Gen. Ryan T. Arling
